# 8kg 500 Series Heat Pump Dryer

Heat pump technology dries at a lower temperature to look after your clothes, while no venting to outside is needed.

- With 12 dry cycles including Express 30, Delicate and Rack Dry
- · Boasting an 8-star energy rating
- Shorten your drying time when in a hurry, with the advanced Speed Up option
- Sanitise dry option uses a high temperature to kill more than 99.99% of bacteria\*

#### **DIMENSIONS**

Height	845 mm
Width	595 mm
Depth	677 mm

#### **FEATURES & BENEFITS**

## 8-Star Energy Rating

Energy-efficient drying thanks to heat pump technology. Dry at low temperatures to protect clothes from wear.

## 12 Dry Cycles

With a specialised dry cycle for a variety of fabrics, including a dedicated Rack Dry cycle with drying rack included.

# Hybrid Boost Technology

With Hybrid Boost technology you can choose to save time by drying at a hotter temperature, or save energy with a longer dry time – as seen in the Express 30 cycle and the Eco and the Speed Up options.

## **Healthier Living**

The high temperature Sanitise dry option ensures dust mites are removed and kills more than 99.99% of bacteria\*, for clean, healthy clothes and fabrics.

## Wi-Fi Compatibility

This dryer is Wi-Fi enabled, with remote access and future compatibility for smart home appliances thanks to ongoing software updates.
