

9.5kg 500 Series Front Loader Washing Machine

This front loader in our dark colourway has plenty of room for large loads, with advanced features such as Refresh with steam to care for your fabrics and your family.

- With 12 wash cycles including Express 15 and Refresh – which uses steam – as well as Sanitise wash option
- 4.5-star water rating and 4-star energy rating
- Speed Up function reduces the time of most wash cycles, perfect for lightly soiled clothes

DIMENSIONS

Height	850 mm
Width	595 mm
Depth	688 mm

FEATURES & BENEFITS

Specialised Care For Your Fabrics

With a range of tailored washes to look after all fabrics, this front loader includes the Sanitise wash option, which kills more than 99.99% of bacteria* for more hygienic washing. You can also choose the short Refresh cycle – perfect for deodorising garments and reducing wrinkles using steam. *Independently tested to eliminate greater than 99.99% of Staphylococcus aureus and Escherichia coli using the Cotton cycle plus Sanitise wash option.

Save Energy And Water

When you select the Eco wash option with your Cotton cycle, you'll reduce energy usage by up to 44%, and reduce water use by over 25 litres – great for the environment.

Super-Fast For Busy Lives

Save time with Express 15 for last-minute laundry items and people in a hurry. Or use the Speed Up function, which reduces the wash time of most cycles and is perfect for lightly soiled clothes.

Keep Your Washing Machine Clean And Hygienic

Anti-Bacteria Treatment (ABT) in the gasket helps keep your laundry environment hygienic.

Wi-Fi Compatibility

This front loader is Wi-Fi enabled, with remote access and future compatibility with smart home appliances.
