

60cm 600 Series Built in Oven, 14 Function, Self Cleaning, Air Fry

With its versatile black finish, ample room, and diverse cooking functions such as Air Fry and Rotisserie, this oven also offers the convenience of Wi-Fi and smart functionality.

- 14 oven functions including Rapid Proof, Pastry Plus, Maxi Grill and Rapid Preheat
- Pyrolytic Self-clean function breaks down food residue to make cleaning a breeze
- With a Rotisserie accessory and Food Probe for precise temperature readings

- Wi-Fi enabled for easy control using the SmartHQ™ app

DIMENSIONS

Height	595 mm
Width	595 mm
Depth	567 mm

FEATURES & BENEFITS

Stay Connected

Use your phone to control this oven from anywhere with Wi-Fi and the SmartHQ™ app. Preheat on the go to ensure your oven is ready when you are. Get alerts and updates straight to your device, making sure you're always in the loop and in charge of your cooking.

Clever Accessories

Ideal for entertaining, the Rotisserie gently rotates your roast, helping it retain moisture. Use the Food Probe to accurately check the temperature, so you know exactly when it's perfectly cooked. Our clever accessories help you achieve delicious, precise cooks with ease.

Let Your Oven Clean Itself

The Pyrolytic Self-clean oven function uses a high heat to remove baked-on grime, leaving a light ash that is easy to wipe up with a damp cloth.

Everyday Convenience

Everything from the soft-close door and telescopic guides to the illuminated touch controls and LCD display has been thought through for your convenience.
