FEATURES & BENEFITS

Room for every recipe

With 5 burners and a spacious 149L oven big meals are made easy, with ample space for large roasts, family sized bakes or cooking multiple dishes at once. A true statement piece, the sleek design brings modern style to any kitchen.

Designed to match

Designed to complement a range of kitchens, this Freestanding Cooker is available in Black or Silver Stainless. Whether you want it to blend in to dark cabinetry or stand out against a lighter finish, the sleek lines and colour options ensure it's a fit for your space. Pair it with a family of matching Haier kitchen appliances to create a seamless and coordinated look.

Specialised oven functions

With 8 versatile oven functions from Fan Bake to Maxi Grill you have the flexibility to create everything from weeknight dinners to special occasion feasts.

Steam assisted cleaning

When cooking's done, add a little water to the oven cavity and let steam do the work. As it heats, steam helps loosen grease and baked-on residue so you can simply wipe the surfaces clean, no harsh scrubbing required.

Cook more with ease

The durable gas cooktop features 5 burners to fit multiple pots and pans at once. With flame-failure detection that cuts off the gas when the flame goes out, you can be sure your kitchen is kept safe.

Intuitive controls

Robust yet simple dial controls make it easy to select the right temperature and function for your cooking. Use the built in timer to keep track of cooking times, so your meals come out perfect every time.

Cook with confidence

Designed and tested for Aussie kitchens, this Freestanding Cooker is built with durable materials and reliable Haier technology, supported by a 2-year warranty for added peace of mind.
