  - Advanced Anti-Bacterial Treatment (ABT) technology reduces bacteria\*
  - Dual humidity-controlled vegetable bins

## DIMENSIONS

Height	1775mm
Width	830mm
Depth	636mm

## FEATURES & BENEFITS

- Switchzone™ Flexibility**  
When you need extra space, SwitchZone™ lets you change the bottom right compartment to fridge or freezer. Change it back just as easily, or select any temperature between -18°C to +5°C.
- Even Cooling**  
Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.
- Anti-Bacterial Treatment (Abt) Protection**  
Air is circulated through an advanced ABT filter that kills up to 99.9% of bacteria,\* helping to ensure a fresh and hygienic storage environment for your food. \*Independently tested to remove greater than 99.99% of Staphylococcus aureus, Escherichia coli, Listeria monocytogenes, Salmonella aertrycke, Shigella sonnet and Yersinia enterocolitica.

- Considered Design**  
With a modern flat door and horizontal recessed handle, this fridge is designed to fit into common kitchen cavity heights.
- 4-star energy rating**  
This quad door refrigerator looks after your fresh foods with an impressive 4-star energy rating.

- Lasting Freshness**  
Two Humidity Zone drawers offer ideal humidity-controlled conditions to store your fresh fruit and vegetables.

## SPECIFICATIONS
