## 10kg 600 Series Front Loader Washing Machine, UV Protect

This front loader has plenty of room for large loads, with advanced features such as UV Protect to care for your fabrics, and your family.

- With 14 wash cycles including Wool and Refresh, which uses steam technology
- 4.5-star water rating and 4.5-star energy rating
- Specialised UV Protect wash modifier to kill more than 99.99% of bacteria\*

 Eco wash option reduces energy use by up to 44%, and water use by more than 25L per load on a Cotton cycle

#### **DIMENSIONS**

Height	850 mm
Width	595 mm
Depth	688 mm

#### **FEATURES & BENEFITS**

#### **UV Protect Fabric Care**

The UV Protect wash option utilises UV light to help kill more than 99.99% of bacteria, and uses a low wash temperature for long-lasting fabric care.\*

#### Save Energy And Water

When you select the Eco wash option with your Cotton cycle, you'll reduce energy usage by up to 44%, and reduce water use by over 25 litres – great for the environment.

#### **Smart Control**

With the SmartHQ<sup>™</sup> app and Wi-Fi connectivity, you're in control - anytime, anywhere. Start or stop your laundry cycles and get timely alerts on your smartphone once your washing is done. You can also access additional downloadable cycles as they are released.

#### Intelligent Washing

Smart Dosing automatically uses the correct amount of detergent, depending on the wash cycle, reducing waste.

#### **Attention To Detail**

The advanced wash option Stain Treatment targets stubborn stains, while dual spray nozzles are designed to clean away foam and dirt residue from the door and gasket at the end of each washing, to help prevent mould build up.

#### Speed Up Wash Times

The Speed Up function effectively reduces the time of most wash cycles and is perfect for lightly-soiled clothes, or choose the Express 15 cycle.

#### Keep your washing machine clean and hygienic

Anti-Bacteria Treatment (ABT) in the gasket helps keep your laundry environment hygienic.

#### **Everyday Convenience**

+Garment lets you add in forgotten items of any size, even when the wash has already started. Your wash drum lights up too, helping to make sure no items are left behind after your wash.

#### **SPECIFICATIONS**

# Capacity Total capacity 10 kg

#### Consumption
