

The top of the label features a semi-circular graphic with a red background on the left and a white background on the right, separated by a curved line. Several white stars of varying sizes are scattered across the red background, while the white background contains red-outlined stars. The text "The more stars the more energy efficient" is centered in the white area.

The more
stars the more
energy efficient

ENERGY RATING

A small registered trademark symbol (®) is located to the right of the word "RATING".

A joint government and industry program
HAIER Freezer Model HVF325D Series
Volume 285 litres

Energy consumption

274

kWh per year

When tested in accordance with AS/NZS IEC 62552-3.

Actual energy use and running costs will depend on how you use the appliance.
