FEATURES & BENEFITS

Steam Assist Plus for delicious dinners

Expand your cooking capabilities and remove the need for oil with up to five steam assist functions, perfect for proofing bread, steaming fish and more. These functions utilise a generous 1L water tank to create humidity in your oven, for the perfect crispy crust, deliciously moist cake or crunchy vegetables, cooking evenly and quickly while preserving flavour and nutrients.

Stay connected

Use your phone to control this oven from anywhere with Wi-Fi and the SmartHQ™ app. Preheat on the go to ensure your oven is ready when you are. Get alerts and updates straight to your device, making sure you're always in the loop and in charge of your cooking.

Healthier cooking with Air Fry

The options are endless with our dedicated Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

Specialised oven functions

Bring your culinary creativity to life with the help of 25 oven functions, letting you Dehydrate, Air Fry, steam vegetables, cook Roast that's tender on the inside and golden on the outside, and so much more. This oven gives you ultimate versatility in your cooking.

Intuitive control

An enhanced 4" TFT interface offers intuitive, simple-to-use touch control over your cooking settings. You can also plan and time your cooking effortlessly using the minute timer and delay start, or program the cooking duration.

Elevated design

Strong and absolute, our monochromatic black glass oven can recede into dark kitchen environments or create a point of contrast to lighter tones. A linear square handle adds a refined finish to complement modern kitchen designs.

Considered features

Designed for effortless handling, this oven has telescopic shelf runners, soft open and close hinges, and a quad-glazed glass door that remains safe to touch from the outside.
