FEATURES & BENEFITS

More room for fresh food

With a 70:30 fridge-to-freezer split, this refrigerator is designed for fresh food lovers. More fridge space and a dedicated Humidity Zone™ drawer help keep your fruit, veg, or deli items crisp, flavourful, and organised.

Energy-saving design

Designed for energy efficiency with a 5.5-star energy rating.

Chilled water, made simple

Enjoy chilled water straight from the door with a non-plumbed dispenser. The interior water tank is easy to refill, giving you refreshing water without the hassle of installation.

Made to fit

Designed to fit a standard Australian kitchen cavity, this fridge offers a seamless, built-in look. No gaps or modifications needed. With a modern flat door and recessed handle, it delivers both style and capacity, so you get a perfect fit without compromising on space.

Reversible door

Designed to fit your space, with the option to install the door to open from the left or right for added convenience.

Even cooling

Multi-Zone Air ensures cool air circulates evenly across every shelf and corner. Your food stays at the perfect temperature for longer-lasting freshness and flavour.

Lock in freshness fast

The Super Freeze function works quickly to freeze food, helping to preserve its taste, texture, and nutrients. Perfect for meal prep, leftovers, or stocking up on essentials.
