- 12 function oven including Air Fry, Proof and Pizza
- Two steam assist functions using the cavity: Bakery+Steam and Vegetables+Steam

- Pyrolytic Self-clean function breaks down food residue to make cleaning a breeze
- Large 78L oven capacity
- Monochromatic black glass design, to match the Haier family of kitchen appliances

DIMENSIONS

Height	595 mm
Width	595 mm
Depth	568 mm

FEATURES & BENEFITS

Steam assisted cooking

Expand your cooking capabilities with two basic steam assist functions, Bake+Steam and Vegetables+Steam. These functions use water poured into the oven cavity to create humidity in your oven, for the perfect crispy crust, deliciously moist cake or crunchy vegetables – cooking evenly and quickly while preserving flavour and nutrients.

Healthier cooking with Air Fry

The options are endless with our dedicated Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

Specialised oven functions

Bring your culinary creativity to life with the help of 12 oven functions, letting you Air Fry, steam vegetables, Proof bread and so much more.

Intuitive control

Simple dials and a convenient touch display provide easy control over your cooking. Time your cooking effortlessly using the minute timer or program your cooking duration.

Elevated Design

Strong and absolute, our monochromatic black glass oven can recede into dark kitchen environments or create a point of contrast to lighter tones. A linear square handle adds a refined finish to complement modern kitchen designs.

Considered features

Designed for effortless handling, this oven has partial telescopic shelf runners, soft open and close hinges, and a quad-glazed glass door that remains safe to touch from the outside.
