

575L 500 Series S+ Three-Door Side-by-Side Refrigerator Freezer, Water

Designed for ultimate flexibility, the S+ Three-Door is packed with FresherTechs and includes a SwitchZone™ compartment, so you can store different foods in their ideal environment.

- Switch Zone™ compartment lets you change the temperature between -18°C and +5°C
- Maximise your storage with the flexibility of 18% space, switchable between fridge and freezer

- A Humidity Zone™ bin creates the ideal environment for fruit and vegetables
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge

DIMENSIONS

Height	1775 mm
Width	905 mm
Depth	707 mm

FEATURES & BENEFITS

More Fridge, More Flex

With Haier's Fresher Techs, this refrigerator freezer uses innovative technologies to help keep the goodness in your food for longer. Features like Switch Zone™ and Humidity Zone™ create the ideal storage conditions, so you can enjoy more flavour and nutritional value from your food.

Energy Savvy

Designed for energy efficiency, with a 4-star energy rating.

Humidity Control System

A Humidity Zone™ drawer maintains the right humidity to help keep your fruit and vegetables fresh and flavourful.

Cold Water On Tap

A water dispenser makes it simple to reach for a glass of chilled water. The internal water tank is easy to refill and doesn't require plumbing, while the interior twist ice maker and collection bin makes storing ice simple.

Even Cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Considered Design

This fridge has a modern flat door and horizontal recessed handles, and is designed to fit into common kitchen cavity heights.

SPECIFICATIONS

Capacity

Volume	574 L
Volume freezer	86 L
