FEATURES & BENEFITS

Steam Assist Plus for delicious dinners

Expand your cooking capabilities and remove the need for oil with two steam assist functions, Bakery+Steam and Vegetables+Steam. These functions utilise a generous 1L water tank to create humidity in your oven, for the perfect crispy crust, deliciously moist cake or crunchy vegetables, cooking evenly and quickly while preserving flavour and nutrients.

Healthier cooking with Air Fry

The options are endless with our dedicated Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

Specialised oven functions

Bring your culinary creativity to life with the help of 16 oven functions, letting you Air Fry, steam vegetables, cook Roast that's tender on the inside and golden on the outside, Proof bread and so much more.

Intuitive control

Convenient touch display provides easy control over your cooking. Time your cooking effortlessly using the minute timer, or program the cooking duration.

Stay connected

Use your phone to control this oven from anywhere with Wi-Fi and the SmartHQ™ app. Preheat on the go to ensure your oven is ready when you are. Get alerts and updates straight to your device, making sure you're always in the loop and in charge of your cooking.

Elevated design

For a cohesive kitchen aesthetic, this oven is designed to pair with Haier's matching stainless steel appliances. Finished in stainless steel and black glass with a linear square handle, this oven provides balanced contrast to suit a range of kitchen styles.

Considered features

Designed for effortless handling, this oven has telescopic shelf runners, soft open and close hinges, and a quad-glazed glass door that remains safe to touch from the outside.
