FEATURES & BENEFITS

Cooling that fits

With a spacious capacity for everyday meals or seasonal extras, this chest freezer is built to suit your needs. Easily switch between fridge and freezer modes, set the right temperature from –30°C to 10°C, and enjoy even cooling that helps keep food fresh.

Spacious capacity

A spacious 418L capacity makes it easy to store bulk groceries, seasonal produce or large cuts of meat, with room to keep everything neatly organised.

All-over cooling

This chest freezer delivers cooling from all four sides to help chill food quickly and evenly. Whether you're storing fresh groceries or frozen meals, the even temperature helps keep everything properly preserved, wherever it's placed inside.

Stays cold without power

Keeps items in the freezer below 0°C for up to 246 hours during a power cut.

Bright LED lighting

Bright, energy-efficient lighting illuminates the freezer, making it easy to find what you need, day or night.

Easy to clean

A handy drainage outlet makes it easier to empty out water when cleaning or defrosting.

SuperFreeze™ function

Our SuperFreeze™ function quickly lowers the freezer temperature to help preserve the flavour, texture and nutritional value of your food.
