## 300 Series Freestanding Dishwasher, Hygiene

With a spacious capacity, this dishwasher includes an Auto Wash program that senses how dirty your dishes are to set an ideal wash.

- Six wash programs including Auto Wash, Hygiene and Eco
- Spacious capacity with room for up to 13 place settings
- 4.5 star water rating and 3 star energy rating
- · Adjustable basket to accommodate plates up to 320mm

### DIMENSIONS

Height	850 - 868 mm
Width	597 mm
Depth	600 mm

#### **FEATURES & BENEFITS**

#### **Auto Wash Sensing**

The Auto Wash program uses clever sensors to detect how dirty your dishes are, and adjusts the time and temperature of the wash for the most effective wash every time.

#### 60 Minute Cycle

A quick, 60°C cycle for when you need things clean, fast. Designed for efficient cleaning of light to medium soils.

#### **Triple Filtration**

Our three layered filtration technology filters the water throughout the wash cycle to deliver clean dishes.

#### Hygiene Cycle

The Hygiene wash program is designed to sanitise your dishes by reaching temperatures over 70°C, to kill 99.99% of bacteria\*.

\*Independently tested to eliminate more than 99.99% of Staphylococcus aureus and Escherichia coli using Hygiene wash program.

#### Eco Cycle

Eco Cycle combines lower temperatures and less water\* with more time to deliver an effective wash for medium loads.

\*Eco Cycle water usage is lower compared to Heavy and Hygiene cycles

#### Easy to use

An intuitive control panel, with an LED display and softtouch buttons that provide simple cycle selection. Set the Key Lock for peace of mind or use the 24hr Delay Start function to time dishwashing around your schedule.

#### Flexible loading

The height-adjustable upper basket offers ultimate flexibility, allowing you to fit dishes up to 320mm in the lower basket, or 250mm in the upper basket, along with two foldable cup racks.
