- Super Freeze function helps you freeze food fast to preserve flavour, texture and nutrients

DIMENSIONS

Height	1725 mm
Width	790 mm
Depth	700 mm

FEATURES & BENEFITS

More room for fresh food

With a 70:30 fridge-to-freezer split, this refrigerator is designed for fresh food lovers. More fridge space and a dedicated Humidity Zone™ drawer help keep your fruit, veg, or deli items crisp, flavourful, and organised.

Energy-saving design

Designed with energy efficiency in mind with a 5-star energy rating.

Keep produce at its best

Designed to lock in freshness, two full-width bins create the ideal environment to keep your fruits and vegetables crisp, delicious, and ready to enjoy for longer.

Made to fit

Designed to fit a standard Australian kitchen cavity, this fridge offers a seamless, built-in look. No gaps or modifications needed. With a modern flat door and recessed handle, it delivers both style and capacity, so you get a perfect fit without compromising on space.

Even cooling

Multi-Zone Air ensures cool air circulates evenly across every shelf and corner. Your food stays at the perfect temperature for longer-lasting freshness and flavour.

Lock in freshness fast

The Super Freeze function works quickly to freeze food, helping to preserve its taste, texture, and nutrients. Perfect for meal prep, leftovers, or stocking up on essentials.

Finish options to suit

With the option of Satina or Black finishes, this fridge pairs functionality with a design to suit your kitchen.
