With spacious capacity for easy loading, take care of your dishes with advanced wash programs including Hygiene and a Steam wash modifier.

- Eight wash programs and four wash modifiers including Steam+
- Generous 15 place setting capacity, easily accommodating plate sizes up to 320mm
- 5.5 star water rating and 4.5 star energy rating
- Wi-Fi connected for remote control using the SmartHQ™ app and helpful alerts

DIMENSIONS

Height	850 - 895 mm	
Width	597 mm	
Depth	599 mm	

FEATURES & BENEFITS

Steam Sanitise

Our Steam wash modifier can be added on any cycle to gently break down oil and grime. The Steam modifier and Hygiene wash program are both designed to sanitise your dishes, helping to kill 99.99% bacteria.* *Independently tested to eliminate more than 99.99% of Staphylococcus aureus and Escherichia coli using the Steam wash modifier or Hygiene wash program.

Advanced Drying

For effective drying, the dishwasher door automatically opens at the end of the cycle to help remove excess moisture. Add the +Dry modifier on any cycle for an enhanced dry, ideal for plastics.

Auto Wash Sensing

The Auto Wash program uses sensors to detect how dirty your dishes are and set the ideal wash, reducing unnecessary water and energy use for a more efficient clean.

Flexible Loading

Generous capacity with a height-adjustable middle basket to make room for tall dishes in the lower basket, this model also features a full-width cutlery tray, wine glass stemware supports and foldable cup racks and tines.

Smart Control

With Wi-Fi connectivity you can control your dishwasher through smart home speakers or your SmartHQ $^{\text{TM}}$ app. Select and start a cycle remotely, get an alert when the cycle is done, and more.

Considered design

This dishwasher features modern styling in a satina finish to match Haier refrigerators. The control panel is angled for easy reading, with touch-capacitive controls and a child lock.
