FEATURES & BENEFITS

Room for every recipe

Big meals are easy with ample space for large roasts, family-sized bakes, or cooking multiple dishes at once. With a spacious 138L total capacity, this 90cm oven makes cooking for celebrations and gatherings simple, so you can feed the whole crowd and spend more time enjoying the moment.

Designed to match

Designed to pair with our connected 500 Series 90cm cooktop, this grey glass oven brings a sophisticated, cohesive look to your kitchen. Its neutral tone blends effortlessly into light or dark spaces, while a linear square handle adds a refined finish. Whether you want to blend in or stand out, the grey glass offers a versatile, elegant choice to complement any cabinetry design. Add a Haier connected Rangehood for a seamlessly connected SmartHQ™ kitchen.

Specialised oven functions

Bring your culinary creativity to life with 16 versatile cooking functions, including Pastry, Roast, Proof, Dehydrate, Pizza and Air Fry - ideal for re-creating your favourite fried foods with less oil and a satisfying crunch. From roasting to baking, each function is designed to deliver reliable results.

Steam assisted cooking

Expand your cooking capabilities with our basic steam assist function, Bake+Steam. Pour water into the oven cavity to create humidity in your oven, for the perfect crispy crust or deliciously moist cake – cooking evenly and quickly while preserving flavour and nutrients.

Cleaning made simple

With Hydro Clean, keeping your oven spotless is a breeze. Using the power of steam to loosen grime and food residue, all it takes is a quick wipe. Spend less time scrubbing and more time cooking with this convenient cleaning feature.

Intuitive control

The convenient touch display makes controlling your cooking easy. Use the minute timer or program cooking durations to suit your schedule. Switch between functions effortlessly and adjust settings with a simple touch for consistent, reliable results every time.

Stay connected

Control your appliances from anywhere with Wi-Fi connectivity and the Smart HQ™ app. Preheat on the go and receive real-time alerts straight to your device, giving you control wherever you are.
