FEATURES & BENEFITS

Room for every recipe

At a standard 60cm width, this cooker combines sleek lines with a modern, thoughtful design that complements any kitchen. Pair it with a family of matching Haier kitchen appliances to create a seamless and coordinated look.

Steam assisted cooking and cleaning

Expand your cooking capabilities with Bakery+Steam. Simply pour water into the cavity at the bottom of the oven, where steam combines with heat to keep dough moist as it rises, creating perfectly crispy crusts and light, fluffy cakes. When you're finished, add some more water and let steam lift away grease and grime for easy cleaning.

Air Fry for a satisfying crunch

The options are endless with our dedicated Air Fry function. Recreate your favourite foods with less oil than traditional frying, or explore healthy recipes with a satisfying crunch. The purpose-built Air Fry tray features vents that help hot air circulate evenly around your food for a crunchy finish, without needing to turn it partway through cooking.

Cook more with ease

The sleek ceramic cooktop features four cook zones to fit multiple pots and pans at once. The smooth surface wipes clean easily, making clean up simple and stress free. With clever technology to prevent the glass from over heating plus hot surface indicators you can be sure your kitchen is kept safe.

Specialised oven functions

Cook more of what you love with 11 versatile oven functions, including Pizza, Fan Bake and Maxi Grill.

Intuitive controls

Robust, sword-style dials are ergonomically designed for a comfortable grip, letting you select the right temperature and function with ease. The built-in touchscreen timer keeps your cooking on track, and partial telescopic runners make it safe and easy to slide hot dishes in and out of the oven.

Cook with confidence

Designed and tested for Aussie kitchens, this Freestanding Cooker is built with durable materials and reliable Haier technology, supported by a 2-year warranty for added peace of mind.
