### FEATURES & BENEFITS

#### Steam assisted cooking

Expand your cooking capabilities with our basic steam assist function, Bake+Steam. Pour water into the oven cavity to create humidity in your oven, for the perfect crispy crust or deliciously moist cake – cooking evenly and quickly while preserving flavour and nutrients.

#### Healthier cooking with Air Fry

The options are endless with our dedicated Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

#### Versatile oven functions

Seven specialised cooking functions help you to cook a range of dishes, including Pizza - for a perfectly cooked base.

#### Intuitive control

Simple dials and a convenient touch display provide easy control over your cooking. Time your cooking effortlessly using the minute timer or program your cooking duration.

#### Elevated Design

For a cohesive kitchen aesthetic, this oven is designed to pair with Haier's matching stainless steel appliances. Finished in stainless steel and black glass with a linear square handle, this oven provides balanced contrast to suit a range of kitchen styles.

#### Easy cleaning

Self-cleaning catalytic panel in the oven helps to absorb and break down fat and splatters during cooking. The oven door and inner glass can also be removed for full access to the interior when cleaning.

#### Considered features

Designed for effortless handling, this oven has a soft-close door, telescopic shelf runners and a triple-glazed glass door that remains safe to touch from the outside.
