# 90cm 300 Built In Oven, 11 Function

Big meals are made easy with a spacious 138L capacity and versatile cooking functions.

- 11 versatile cooking functions including Bake, Pizza and Rapid Heat
- Large 138L total oven capacity to fit family-sized meals or multiple dishes
- Monochromatic black glass design, to match the Haier family of kitchen appliances
- · Convenient dials and simple touch display for easy control

#### **DIMENSIONS**

Height	594 mm
Width	895 mm
Depth	574 mm

#### **FEATURES & BENEFITS**

## Room for every recipe

Big meals are easy with ample space for large roasts, family-sized bakes, or cooking multiple dishes at once. With a spacious 138L total capacity, this 90cm oven makes cooking for celebrations and gatherings simple, so you can feed the whole crowd and spend more time enjoying the moment.

## Designed to match

Designed to pair with our 90cm cooktop, this monochromatic black glass oven offers a refined, cohesive look. Whether you want it to blend into dark kitchen environments or stand out against lighter cabinetry, the linear square handle and colour options ensure it fits your kitchen style.

# Specialised oven functions

Bring your culinary creativity to life with 11 versatile cooking functions, including Bake, Pizza, Rapid Heat. From roasting to baking, each function is designed to deliver reliable results.

#### Intuitive control

The convenient dials and simple touch display make controlling your cooking easy. Use the minute timer or program cooking duration to suit your schedule. Switch between functions effortlessly and adjust settings with a simple touch for consistent, reliable results every time.
