60cm 300 Series Built in Oven, 7 Function, 10A Plug

In a refined monochromatic black glass design, this oven delivers even convection heating and plenty of space for multi-shelf cooking.

- Monochromatic black glass design to match the Haier family of kitchen appliances
- Seven oven functions including Pastry Plus, Pizza Plus and Fan Forced
- · Even convection heating on every shelf
- · Easy installation with 10AMP 'plug and play'

DIMENSIONS

Height	595 mm
Width	595 mm
Depth	569 mm

FEATURES & BENEFITS

Consistent Design

For a cohesive kitchen aesthetic, this oven is designed to pair with Haier's matching black glass appliances. In monochromatic black glass with a linear square handle, this oven recedes into dark kitchen environments for a modern finish.

Versatile Oven Functions

Seven specialised cooking functions help you to cook a range of dishes, including Pizza Plus and Pastry Plus for a perfectly cooked base or golden pastry crust.

Considered Features

Designed for effortless handling, this oven has a doubleglazed glass door that remains safe to touch from the outside.

Simple Cleaning

Built for easy cleaning, the oven door can be removed for full access to the interior.

Handy Control

The sleek black dials offer simple control, with a mechanical minute timer for convenience.

Easy Installation

With a 10AMP plug, you can just 'plug and play' with no electrician required.
