90cm 500 Series Integrated Insert Wall Rangehood

Providing effective extraction of steam, grease and odours, this sleek rangehood is perfectly hidden away in your cabinetry.

- Effective 780m3/hr airflow
- Seamlessly integrates into your kitchen cabinetry
- Dishwasher-safe aluminium filters for easy cleaning
- Energy-efficient LED lighting illuminates your cooktop

DIMENSIONS

Height	260 mm
Width	792 mm
Depth	277 mm

FEATURES & BENEFITS

Seamless Fit

In an elegant black finish to match your kitchen aesthetic, this insert rangehood integrates seamlessly into cabinetry above your cooktop.

Effective Extraction

Select between three fan speeds to ensure steam, odours and grease are extracted from your kitchen at the rate you need for your cooking.

Easy Cleaning

The aluminium filters are easy to remove and dishwashersafe, for quick and simple cleaning.

A Joy To Use

Thoughtful design features enhance your cooking experience, with responsive push-button controls and energy-efficient LED lighting to illuminate your cooktop.

Installed To Suit

This rangehood offers ducted or recirculated extraction, so you can choose the solution that best suits your kitchen.
