

623L 600 Series Quad Door Refrigerator Freezer

With plenty of space, this large capacity model features SwitchZone™ technology so you can create ideal conditions for different foods.

- SwitchZone™ compartment lets you change the temperature between -18°C to +5°C
- Wi-Fi connected for remote control of your fridge and alerts through the SmartHQ™ app
- Advanced Anti-Bacterial Treatment (ABT) technology reduces bacteria* in the air

- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge

DIMENSIONS

Height	1775 mm
Width	908 mm
Depth	750 mm

FEATURES & BENEFITS

Switchzone™ Flexibility
When you need extra space, SwitchZone™ lets you change the bottom right compartment to fridge or freezer. Change it back just as easily, or select any temperature between -18°C to +5°C.

Even Cooling
Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Anti-Bacterial Treatment (ABT) protection

Wi-Fi Enabled
With Wi-Fi capability, you can easily control your fridge settings from anywhere using the SmartHQ™ app.

Lasting Freshness

Two Humidity Zone drawers offer ideal humidity-controlled conditions to store your fresh fruit and vegetables.

Flexible Storage

Cantilevered shelving in the fridge lets you easily adjust your storage space to suit your needs, with full back-panel LED lighting to provide a clear view of the whole interior.
