9kg + 5kg 500 Series Combi Front Loader Washer Dryer

500 Series | Combination

White

Choose from a variety of cycles and options including 6 continuous wash-dry cycles for even more convenience. Wi-Fi compatibility puts you in control so you can start and stop cycles when it suits, straight from your Smartphone.

- With 11+ innovative cycles to suit any load, including a Wool wash cycle
- Sanitise wash option helps to kill bacteria for a more hygienic wash
- 5-Star Energy and 4.5-Star Water washer ratings, and 4-Star Energy dryer rating
- For quicker results the Speed Up function is perfect for lightly soiled clothes.
- Easy installation with no venting to the outside required

DIMENSIONS

Height	**850 mm**
Width	**595 mm**
Depth	**688 mm**

FEATURES & BENEFITS

Washer And Dryer In One

With six continuous wash-dry cycles that cater to different types of fabrics you can just set and forget and come back to clean, dry clothing.

Refresh Cycle

The time-saving Refresh cycle uses steam technology to deodorise and dewrinkle garments.

Smart Sensor-Dry

Auto-sensing technology is designed to sense how much moisture is in your laundry to avoid under or over drying.

Considered Design

Intuitive buttons and LED display on a dark control panel makes it easier to select between wash and dry cycles even in dim light.

Connected Living

With Wi-Fi connectivity and using the SmartHQ™ app, you can start or stop cycles directly from your smartphone.

Hygienic Environment

The Antibacterial Treated door gasket helps maintain a more hygienic wash environment, while your clothes can be kept even cleaner with a Sanitise option that can be applied to selected cycles.

Everyday Conveniences To Make Your Life Easier

If you're in a hurry, you can use the Speed up function for a quicker wash and dry cycle. And Garment+ lets you add in forgotten items even after the wash has started.

SPECIFICATIONS
