574L 500 Series S+ Three-Door Side-by-Side Refrigerator Freezer

Designed for ultimate flexibility, the S+ Three-Door is packed with FresherTechs and includes a SwitchZone[™] compartment, so you can store different foods in their ideal environment.

- Switch Zone[™] compartment lets you change the temperature between -18°C and +5°C
- Maximise your storage with the flexibility of 18% space, switchable between fridge and freezer

- A Humidity Zone[™] bin creates the ideal environment for fruit and vegetables
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge

DIMENSIONS

Usisht	1775
Height	1775 mm
Width	905 mm
Depth	707 mm

FEATURES & BENEFITS

More Fridge, More Flex

With Haier's Fresher Techs, this refrigerator freezer uses innovative technologies to help keep the goodness in your food for longer. Features like Switch Zone[™] and Humidity Zone[™] create the ideal storage conditions, so you can enjoy more flavour and nutritional value from your food.

Energy Savvy

Designed for energy efficiency, with a 4-star energy rating.

Humidity Control System

A Humidity Zone[™] drawer maintains the right humidity to help keep your fruit and vegetables fresh and flavourful.

Even Cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Considered Design

This fridge has a modern flat door and horizontal recessed handles, and is designed to fit into common kitchen cavity heights.
