## FEATURES & BENEFITS

**Hood to Hob compatibility**

This rangehood features linked hood to hob capability, allowing you to pair it with a compatible Haier cooktop via Bluetooth. Once paired, the rangehood will seamlessly match the extraction rate to your cook zone power levels, so you always have the ideal extraction rate.

**Stay connected**

Use your phone to control this rangehood from anywhere with Wi-Fi and the SmartHQ™ app. Turn it on or off, increase or decrease the extraction rate, or even set a night light schedule. You can also get alerts and updates straight to your device, making sure you're always in the loop.

**Seamless fit**

In an elegant black finish to match your kitchen aesthetic, this insert rangehood integrates seamlessly into cabinetry above your cooktop.

**A joy to use**

Thoughtful design features enhance your cooking experience, with simple touch controls that turn on extraction immediately, and low-energy LED lighting to perfectly illuminate your cooktop.

**Effective extraction**

Select between three fan speeds to ensure steam, odours and grease are extracted from your kitchen at the rate you need for your cooking.

**Installed to suit**

This rangehood offers ducted or recirculated extraction, so you can choose the solution that best suits your kitchen.
