FEATURES & BENEFITS

Elegant design, smart living

This oven features a refined black glass design that adds a modern touch to your kitchen and matches a Haier induction cooktop. It simplifies cooking through clever features and a range of functions including Air Fry and Rapid Heat. With Wi-Fi capability, you gain control of your oven on the move, offering a perfect blend of smart functionality and style. Whether you're adjusting settings from the office or preheating your oven on your way home, our smart oven technology provides the ultimate convenience, making it the ideal addition to any modern kitchen.

Stay connected

Use your phone to control this oven from anywhere with Wi-Fi and the SmartHQ™ app. Preheat on the go to ensure your oven is ready when you are. Get alerts and updates straight to your device, making sure you're always in the loop and in charge of your cooking.

A function for every food

With 14 oven functions, including Rapid Proof for dough, Pastry Plus and Air Fry to help you create a satisfying crunch using less oil.

Clever accessories

Ideal for entertaining, the Rotisserie gently rotates your roast, helping it retain moisture. Use the Food Probe to accurately check the temperature, so you know exactly when it's perfectly cooked. Our clever accessories help you achieve delicious, precise cooks with ease.

Let your oven clean itself

The Pyrolytic Self-clean oven function uses a high heat to remove baked-on grime, leaving a light ash that is easy to wipe up with a damp cloth.

Everyday Convenience

Everything from the soft-close door and telescopic guides to the illuminated touch controls and LCD display has been thought through for your convenience.
