

90cm 500 Series Built in Oven, 10 Function

Stainless Steel

This stylish oven has stainless steel and black glass styling, with a Rotisserie and plenty of room to cook a number of dishes at once.

- Ten oven functions including Fan Forced, Steam Clean and Rapid Heat
- The door, inner glass of the door and side racks are removable for easy cleaning

- Create tender roasts with the help of the Rotisserie accessory
- Plan meals easily, with the ability to program cooking duration, or delaying cooking

DIMENSIONS

Height	595 mm
Width	896 mm
Depth	565 mm

FEATURES & BENEFITS

Rotisserie Accessory

Cook a Sunday roast for friends or family with the help of the clever Rotisserie, which rotates meat slowly to circulate juices and deliver consistent results.

A Function For Every Food

Ten cooking functions, including Fan Forced and Rapid Heat for when you are short on time, and two Rotisserie functions help you create a golden roast.

Simple Cleaning

Run the Steam Clean function to soften grime inside the oven, making it simple to wipe clean. The oven door and inner glass can also be removed to make a deep clean easier.

Stylish Design

A refined black-glass design gives a modern finish to your kitchen, making this oven perfect for matching with a Haier induction cooktop.

Safety Features

Designed for safety with a child lock and cool-to-touch oven door. The non-tip shelf safety system and telescopic guides make pulling out hot dishes easy.

Everyday Convenience

Designed for everyday ease of use with a soft-close door and non-tip telescopic shelf runners. Plus, you can program your cooking or delay start using the intuitive control panel and LCD display.
