

60cm 300 Series Built in Oven, 7 Function, Side Opening Door

This 60cm built-in oven is designed for accessibility, with a side-opening door for easier access. Seven cooking functions and fan cooking ensure even results, while full-extension telescopic runners make everyday use effortless.

- Full-extension telescopic runners make it easier to place and remove dishes
- Seven oven functions, including Fan Forced, Fan Grill, Grill, Fan Bake, Traditional Bake, and Defrost

- Side-opening door with reversible hinge for accessibility and flexible installation
- Thoughtfully designed controls with clear labels make it easy to check and select settings

DIMENSIONS

Height	595 mm
Width	595 mm
Depth	558 mm

FEATURES & BENEFITS

Versatile oven functions

Seven cooking functions, including Fan Forced and Traditional Bake, let you cook everything from family meals to weekend baking with confidence.

Designed for accessibility

A side-opening door provides easier access, making it a practical choice for a range of accessibility needs and compact spaces.

Easy access with full-extension runners

Telescopic runners slide out fully, making it easier to place and remove dishes, with a wire rack and grill insert for added convenience.

A compact oven that fits your space

With a 60L capacity, this oven offers ample space for everyday cooking while maintaining a compact footprint.

Flexible installation

The reversible door hinge lets you install the oven to open to the left or right, so it works for different kitchen layouts.

Simple and stylish

A handle design that complements the Haier kitchen family, with a digital clock to make it easy to keep track of cooking times.

Even cooking, every time

Fan Forced cooking circulates heat evenly for great results—whether you're baking muffins or roasting a Sunday dinner.
