

9kg + 6kg Combi Front Load Washer Dryer

Enjoy the convenience of washing and drying in one with this 9kg + 6kg combi. Stain Treatment helps break down cooking oil marks, while Steam Refresh and Deodorise keep clothes fresh between washes. Woolmark Black certification ensures gentle wool care, and antibacterial protection supports a cleaner washer.

- Enjoy the ease of washing and drying in one, with cycles to care for everyday loads and fabrics
- Stain Treatment helps break down cooking oils for a more effective clean

- Freshen clothes between washes as steam smooths creases and Deodorise reduces everyday smells
- Protect delicate fibres with the Woolmark Black certified cycle for soft, long-lasting woollens

DIMENSIONS

Height	850 mm
Width	595 mm
Depth	579 mm

FEATURES & BENEFITS

Two-in-one convenience

Enjoy the ease of washing and drying in one appliance, designed to simplify everyday laundry. With a 9kg wash and 6kg dry capacity plus programs for common fabric types, it delivers effective cleaning and drying without the need for separate machines.

Everyday stain solutions

Stain Treatment is designed to break down cooking oil marks for an effective clean, helping everyday clothes come out looking fresh.

Steam refresh and deodorise

Freshen up clothes without running a full wash. Steam helps smooth out creases, while the Deodorise cycle reduces everyday smells, so your clothes feel clean and ready to wear again.

Care for your woollens

Our Woolmark Black certified cycle gently washes wool fabrics to help protect delicate fibres, so your favourite pieces stay soft and last longer.

Antibacterial protection

The Antibacterial Treated (ATB) door gasket helps maintain a hygienic laundry environment. By reducing the build-up of mould and bacteria around the door seal, it keeps your washer clean and your clothes fresh.

Dual spray rinse

Dual spray nozzles rinse away foam and residue from the door and gasket at the end of each cycle, helping to maintain a fresh, clean washer.

SPECIFICATIONS

Capacity

Total capacity	(Wash) 9kg + (Dry) 6kg kg
----------------	---------------------------

Consumption

Energy rating	5 star (Wash) + 4 star (Dry)
Energy usage	196 (Wash) + 195 (Dry) kWh/year
