FEATURES & BENEFITS

Flexible storage

With three easily accessible settings, My Zone adjustable temperature drawer lets you change the conditions to chill drinks or preserve seafood and meat.

Even cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

Cold water on tap

The water dispenser offers easy access to chilled water without the need for plumbing. Its internal water tank is simple to refill.

Lock in flavour and nutrients

Our Super Freeze function freezes food fast, helping to preserve flavour, texture and nutritional value for the long term.

Lasting freshness

A Humidity Zone drawer maintains the right humidity to help keep your fruit and vegetables fresh and flavourful.

Energy savvy

Designed with energy efficiency in mind with a 4.5 star energy rating.
