

## 574L 500 Series S+ Three-Door Side-by-Side Refrigerator Freezer, Water, Non-plumbed

Designed for ultimate flexibility, the S+ Three-Door is packed with FresherTechs and includes a SwitchZone™ compartment, so you can store different foods in their ideal environment.

- Switch Zone™ compartment lets you change the temperature between -18°C and +5°C
- Maximise your storage with the flexibility of 18% space, switchable between fridge and freezer

- A Humidity Zone™ bin creates the ideal environment for fruit and vegetables
- Multi-Zone Air cooling system for consistent airflow to every corner of the fridge

### DIMENSIONS

Height	1775 mm
Width	905 mm
Depth	707 mm

### FEATURES & BENEFITS

#### More Fridge, More Flex

With Haier's Fresher Techs, this refrigerator freezer uses innovative technologies to help keep the goodness in your food for longer. Features like Switch Zone™ and Humidity Zone™ create the ideal storage conditions, so you can enjoy more flavour and nutritional value from your food.

#### Energy Savvy

Designed for energy efficiency, with a 4-star energy rating.

#### Humidity Control System

A Humidity Zone™ drawer maintains the right humidity to help keep your fruit and vegetables fresh and flavourful.

#### Cold Water On Tap

A water dispenser makes it simple to reach for a glass of chilled water. The internal water tank is easy to refill and doesn't require plumbing, while the interior twist ice maker and collection bin makes storing ice simple.

#### Even Cooling

Multi-Zone Air evenly circulates cool air to every corner of your fridge. By maintaining a stable temperature, this cooling system creates an ideal food storage environment, for lasting freshness.

#### Considered Design

This fridge has a modern flat door and horizontal recessed handles, and is designed to fit into common kitchen cavity heights.
