- Large 78L usable oven capacity
- Monochromatic black glass design, to match the Haier family of kitchen appliances

DIMENSIONS

Height	595 mm
Width	595 mm
Depth	568 mm

FEATURES & BENEFITS

Steam assisted cooking

Expand your cooking capabilities with two basic steam assist functions, Bakery+Steam and Vegetables+Steam. These functions use water poured into the oven cavity to create humidity in your oven, for the perfect crispy crust, deliciously moist cake or crunchy vegetables – cooking evenly and quickly while preserving flavour and nutrients.

Healthier cooking with Air Fry

The options are endless with our dedicated Air Fry oven function. Re-create your favourite fried foods with less oil, or discover healthier recipes with a satisfying crunch.

Specialised oven functions

Bring your culinary creativity to life with the help of 14 oven functions, letting you Air Fry, steam vegetables, cook Roast that's tender on the inside and golden on the outside, and so much more.

Intuitive control

Convenient touch display provides easy control over your cooking. Time your cooking effortlessly using the minute timer, or program the cooking duration.

Stay connected

Use your phone to control this oven from anywhere with Wi-Fi and the SmartHQ™ app. Preheat on the go to ensure your oven is ready when you are. Get alerts and updates straight to your device, making sure you're always in the loop and in charge of your cooking.

Considered features

Designed for effortless handling, this oven has partial telescopic shelf runners, soft open and close hinges, and a quad-glazed glass door that remains safe to touch from the outside.

Elevated Design

Strong and absolute, our monochromatic black glass oven can recede into dark kitchen environments or create a point of contrast to lighter tones. A linear square handle adds a refined finish to complement modern kitchen designs.
