9kg 600 Series Top Loader Washing Machine, UV Protect

This spacious top loader washer uses intelligent technologies to gently care for your fabrics, with anti-bacterial UV Protect.

- 12+ wash cycles to care for a range of fabrics, with access to new cycles via the SmartHQ™ app
- Specialised UV Santise wash option helps to kill bacteria*
- 4.5 star energy rating and 4 star water rating
- Direct Motion direct drive motor technology for quiet and reliable washing

DIMENSIONS

Height	1018 mm
Width	580 mm
Depth	590 mm

FEATURES & BENEFITS

Gentle Wash Action

With a gentle pulsating wash action, pillow drum and intelligent wash algorithm, this top loader is designed to clean effectively while reducing tangling – helping to keep your clothes at their best for longer.

Smart Control

With the SmartHQ[™] app and Wi-Fi connectivity, you're in control - anytime, anywhere. Start or stop your laundry cycles and get timely alerts on your smartphone once your washing is done. You can also access additional downloadable cycles as they are released.

Considered Design

This white top loader washing machine is designed to match our heat pump dryers, with an intuitive control panel. The dark translucent lid has a soft-close mechanism for effortless handling and a durable finish in your laundry.

Specialised Wash Cycles

Care for a variety of different fabric types with 12+ dedicated wash cycles including Wool, Delicate and Hygiene. And with the SmartHQ[™] app you can download new wash cycles as they become available for targeted fabric care.

Hygienic Wash Environment

With a stainless steel drum and dedicated Drum Clean cycle, it is easy to keep your washing machine clean and hygienic for fresh laundry.

Attention To Detail

Clever features in our top loader washers help to ensure beautifully clean results. The spray nozzle design delivers an effective rinse, using minimal water. And a bionic filter helps to capture lint and prevent it from flowing back into the wash.
