

# 9kg 600 Series Top Loader Washing Machine, UV Protect

This spacious top loader washer uses intelligent technologies to gently care for your fabrics, with anti-bacterial UV Protect.

- 12+ wash cycles to care for a range of fabrics, with access to new cycles via the SmartHQ™ app
- Specialised UV Santise wash option helps to kill bacteria\*
- 4.5 star energy rating and 4 star water rating
- Direct Motion direct drive motor technology for quiet and reliable washing

## DIMENSIONS

Height	1018 mm
Width	580 mm
Depth	590 mm

## FEATURES & BENEFITS

Gentle Wash Action

With a gentle pulsating wash action, pillow drum and intelligent wash algorithm, this top loader is designed to clean effectively while reducing tangling – helping to keep your clothes at their best for longer.

### Smart Control

With the SmartHQ™ app and Wi-Fi connectivity, you're in control - anytime, anywhere. Start or stop your laundry cycles and get timely alerts on your smartphone once your washing is done. You can also access additional downloadable cycles as they are released.

### Considered Design

This white top loader washing machine is designed to match our heat pump dryers, with an intuitive control panel. The dark translucent lid has a soft-close mechanism for effortless handling and a durable finish in your laundry.

### Specialised Wash Cycles

Care for a variety of different fabric types with 12+ dedicated wash cycles including Wool, Delicate and Hygiene. And with the SmartHQ™ app you can download new wash cycles as they become available for targeted fabric care.

### Hygienic Wash Environment

With a stainless steel drum and dedicated Drum Clean cycle, it is easy to keep your washing machine clean and hygienic for fresh laundry.

### Attention To Detail

Clever features in our top loader washers help to ensure beautifully clean results. The spray nozzle design delivers an effective rinse, using minimal water. And a bionic filter helps to capture lint and prevent it from flowing back into the wash.
