Front Loader Washing Machine, 8kg

Powered by energy-efficient inverter motor technology, this washing machine includes a Speed Up wash modifier for when you are short on time.

- Inverter motor technology
- Long-lasting Anti-Bacterial Treated (ABT) door seal and detergent dispenser
- Wave Drum design for a gentle wash
- Delay start function (30mins to 24hrs)

DIMENSIONS

Height	**845mm**
Width	**595mm**
Depth	**650mm**

FEATURES & BENEFITS

Super fast for busy lives
Save time with a 15-minute Fast Wash for last minute laundry items.

Works around your schedule
Use the Delay start function to time your laundry cycle to finish when it suits you.

Cleaner laundry from a clean machine
Anti-Bacteria Treatment (ABT) in the gasket and laundry detergent dispenser helps keep your laundry environment hygienic.

16 specialised wash cycles
Care for a variety of different fabric types with dedicated wash cycles including Wool, Synthetic and Delicate.

Speed up wash times
The Speed Up wash modifier effectively reduces the time of most wash cycles, great for when you are short on time.
