## DIMENSIONS

Height	850 mm
Width	545 mm
Depth	562 mm

## FEATURES & BENEFITS

### Smart, compact storage

Ideal for smaller households or extra storage, this 90L vertical freezer has a 5-star energy rating and three enclosed drawers to help keep frozen goods organised.

### Reversible door with recessed handle

With a reversible door and full-length recessed handle, this compact freezer fits neatly into your kitchen layout, whether it's tucked under a counter or placed alongside your fridge.

### Simple temperature control

Just turn the mechanical dial to set your ideal temperature with dependable control and no fuss.

### Cooling that's kind

This model uses R600a refrigerant, which is known for its lower environmental impact.

### Organised freezer drawers

Enclosed drawers keep food organised and easy to access, making it simple to separate everyday frozen items.

### Easy-open recessed handle

The full-length recessed handle offers a sleek, space-saving look and is easy to open from any angle.

### Fits under your benchtop

Designed to fit neatly under standard benchtops\*, this compact freezer offers flexible placement for additional cold storage where space is limited.

\*Requires a minimum clearance of 50mm between the top of the freezer and the benchtop.
